

The Norwich Congregational Church, UCC, a progressive Protestant congregation, seeks a dynamic Youth Leader to work with our young people, grades 5 through 12. Three primary responsibilities:

- Lead a weekly Sunday School class for children in grades 5-7 with a focus on creative and experiential learning;
- Plan and oversee one monthly community service project with middle-grade youth;
- Plan and oversee one monthly recreational/cultural activity for middle school youth and one for high school youth (e.g., hike, ball game, open mic, local theatrical or music event).

Our ideal candidate has a zest for nurturing young people in spiritual formation, social justice and community engagement. The Youth Leader works closely with the Pastor, the Sunday School Coordinator, and the Ministry of Religious Education to design a successful program.

Total time commitment: 7-8 hours per week. Start date: September 2019 to continue throughout the school year. Pay: \$20/hr.
