

**The Pittsford Congregational Church** is a small, friendly, dedicated community church which has been a gathered congregation for over 225 years. A strength of our church and congregation is our commitment to continuing our tradition of providing a warm and welcoming place and opportunity for the celebration and worship of God's love.

We are looking for a pastor to help us renew, revitalize and nourish our congregation and help us define and live out a vision, mission and purpose as a church in today's world that will bind us together and attract and appeal to others in our community. We appreciate a service and message that relates to our daily lives, is relevant to the world we are living in and offers us renewal and inspiration for living our lives in Christ. We value our traditions and are open to new ways to build our faith together.

We clearly want to keep our church open and running and have a small dedicated and diverse congregation ready to move forward. We are looking for a pastor to join us to provide leadership, guidance and inspiration.
