

THE FIRST CONGREGATIONAL CHURCH OF HARTLAND, VT

We are a strong and vibrant community-oriented church. Our members and friends come from all over the “Upper Valley” region of the Connecticut River. Hartland is surrounded by natural beauty and many opportunities for outdoor recreation. You will find a small-town feeling here;

however, we also have the great fortune of being within close proximity to Dartmouth College and Lebanon, NH, which offer a wide array of cultural experiences as well as convenient shopping. Visitors and new members of our church comment on how welcoming we are and how comfortable they feel. We have been an Open and Affirming church since 2010.

At the First Congregational Church of Hartland, we share the belief that we can - and do - make a difference in people’s lives. Our multi-age Christian Education program is growing, and our Mission and Outreach programs are locally and globally impactful. We have an emerging vision for the future and we are excited about calling a new pastor who will help us to create and

shape this vision.

The experience of creating this profile has caused our entire congregation to be more mindful and engaged in who we are as a church. We have a firm understanding of who we are and what we do, and a good idea of where we would like to go. We warmly welcome conversation with candidates who are interested in leading us into this next chapter in our church’s life and ministry.

We look forward to welcoming a new settled pastor with whom we can share a faith journey of ministry together, as our current minister is retiring. We seek someone to offer spiritual guidance and to help us to realize our own unique potentials in carrying out God’s sacred work.

We invite you to explore our profile to learn more about who we are and who God is calling us to become.
