

## COVER PAGE DESCRIPTION

The Wells River and Newbury churches seek a full time Designated Term pastor together. Exciting ministry and mission possibilities abound in these two villages of Newbury, and there are excellent schools and medical facilities nearby, with many local and regional cultural opportunities. There is a parsonage with a private backyard.

Joint Sunday morning worship services are shared between the two churches. We are looking for an energetic, effective leader who will first and foremost lead us in meaningful worship on Sundays. They will increase our awareness of mission opportunities, help us make new people feel welcome, and guide us in Bible studies and retreats. It is important as well that pastoral calls be made on the well and the sick. We ask our Designated Term Pastor to be with us for two years, and then together we can decide about the future. We are excited about our ministry, and look forward to the leadership our new pastor will bring!
