

The Norwich Congregational Church UCC is located in the beautiful Upper Valley in Vermont, right next to Dartmouth College. We are seeking a Pastor to join us following the retirement of our previous Pastor. This position includes involvement in all aspects of our church's spiritual life. As part of our commitment to walk with Jesus, we are engaged in a pastoral search to enable us to move forward now as in the past. In the future, we will need to grow and change, certainly be more technologically nimble and not forget our traditions. We are seeking a pastor who will join us on this journey, who is committed to learning and growing alongside us, and who will lead us-both from the front and from the rear when necessary!

We hope to remain vital and relevant in people's lives, today and tomorrow, to live our faith both inwardly and outwardly, and share our blessings with ourselves and our neighbors. We are excited about the opportunity to follow the Spirit as we work together to create a new future for our congregation. We are ready to use our faith, the best of our experience, the wisdom, skills and energy of our new Pastor, and a shared commitment to hear Jesus' calling to us. We are eager to move forward together!
