First, I apologize for the incorrect picture that appeared in the Conference death announcement. It has taken us some time to be able to correct it with Jesse being on vacation this week. We will get the picture omitted and replaced with the one above.

We also want to find a way to honor John's life and ministry among us. As you can understand the committal service must be limited to immediate family. So, on **Wednesday June 17th at 10:00AM** we will host a ZOOM service of remembrance and prayer. [Here is the invitation to join the call](#)

Here is the information for memorial gifts and cards:

In lieu of flowers donations in John's name can be made to the Lamoille Valley Food Share, 197 Harrel St. Morrisville, Vt. 05661  
Cards and notes of remembrance can be sent to the family c/o Stephen Nutting 1836 Hardwood Flats Road Wolcott, Vt. 05680.

In the hope and peace of the resurrection,  
Lynn

*Editor's note: The notice sent last week announcing John Nutting's passing included an incorrect photo. The photo above is John; the photo last week was not. The Vermont Conference regrets the error.*

### Rest in peace...

We have received word that The Rev. Philip Nelson has died. Jack Bixby, his Annuitant Visitor and pastoral presence said, "He was overtaken by lung cancer which was found about a year ago; he had undergone radiation treatment at Dartmouth Hitchcock until recently. Phil was determined to live to be 100; he almost made it....99.5 years. A remarkable man who was sharp and clear almost to the end. I last saw him in February when he laughingly complained about having to use a cane as he circled the hallways of Vernon Green, (the retirement facility where he lived) for exercise. His daughter, Phyllis Noyes, was able to be with her dad till the end....with mask and gloves; he was receiving heavy doses of morphine for pain and hallucinating about his daunting/haunting WWII experiences in the Pacific. Ordained just over fifty years ago after a successful career in the insurance industry; served churches in Massachusetts, Vermont, North Carolina (I think) and maybe other places. He was loved, respected and honored wherever he served... God's competent faithful joyful servant."

### Pandemic grants for churches added to UCC National Setting COVID-19 relief response

The United Church of Christ National Setting is offering financial assistance to local churches whose ministries have been challenged by the novel coronavirus pandemic.

As one, the national officers have collectively identified \$2.6 million in COVID-19 relief, \$1.5 million in loans that will be [administered through the Cornerstone Fund](#) and another \$1.1 million in micro grants. **The grant application process opens June 1.** Grant money will be available through the process detailed below by the UCC executives.

***From the Revs. John Dorhauer, Traci Blackmon and Karen Georgia Thompson:***

*The prolonged impact of COVID-19 has caused increased challenges for many of our churches and conferences. The national setting, in addition to the phenomenal work of Conferences, seeks to respond with holistic support of local churches in addition to the ecclesiastical and administrative resources available through our ministries and on [ucc.org](#). We want to provide financial assistance to local church ministries and Conferences during this unprecedented time. As a result, several routine granting cycles for 2020 are suspended for this year only as we redirect funds to meet present challenges while maintaining the integrity of the intent of grant funds. Below please find a list of resources with links to their corresponding application or landing page. Our prayer is that this offering will be useful to*

*churches most in need during this COVID-19 pandemic season.*

## Stewardship in the midst of COVID-19

Many people, ministers and church members, have been asking how to continue to support their local church budgets while everyone is social distancing and unable to gather together in worship. The short answer is - keep stewardship and the offering going!

Rev. Andrew Warner, Generosity Outreach Officer for the United Church of Christ offered a webinar and several resources last week. He has kindly shared them with us for members of the Vermont Conference to use.
