Included in the Interim Music Director's list of duties are:

1. Select music for church services in consultation with the Minister
2. Play the organ and/or piano for services
3. Direct the choir—selecting music, conducting rehearsal and leading the choir each Sunday
4. Administrative duties include arranging for maintenance of the church instruments, maintaining the music library, and meeting with the Minister & Deacons as requested.

The United Church is well-known for its music program and its outreach to the community, and we seek a candidate ready to take on the creative opportunity of joining these two aspects of our ministry and help us develop a Music Ministry that can serve not only the church, but the wider community.

This is a part-time position with a salary of \$160/week based on experience and expertise. The United Church also has space for rehearsal and performance and will be available at the director's private use with a minimal fee for cleaning and heating.
